Carolyn,

I called Beverly and confirmed that the sheets are being hand delivered today. Attached for your records please find a copy of the document (in which I have corrected your phone number).

Thank you again for your help.

I will get a letter out tomorrow but an extension to August 4th would be fine.

Good afternoon Ms. Casey,

I write in regard to Cummings' April and May 2017 submissions, your comments to which we received by certified mail yesterday. As you may be aware, Craig is traveling overseas and will not be back in the office until July 24, so I am responding to you on his behalf in his absence.

With respect to the Fact Sheet, attached please find a redlined copy of the document, which reflects modifications consistent with EPA's comments. We will be distributing the Fact Sheet in accordance with the AOC early next week.

As for the comments on the other documents, we have begun our review with Bruce Hoskins, and will be preparing a revised set of deliverables. In view of Craig's absence from the office, we would ask for a modest extension of time – to August 4 – so as to allow him an opportunity to review and finalize same.

Thank you.
